

Annual Report –(2018-2019)

Welcome

Good evening one and all, distinguished guests of the day, Mr.C.MUTHIAH, RAJA. N.Kumaran sethupathy and RANI.N.Lakkumi Nachiyar, our director Dr.Billy Graham, Ladies and gentlemen, parents of my very dear students, committed faculty, caring and vigilant non-teaching staff, supporting office staff and darling students.

Introduction

The Annual Report for 2018-2019 is provided to the community of Christ the King International School. It outlines the impact of key school strategies for improved learning and the optimal distribution of the benefits to all students from the school infrastructure and resources.

Message from the Principal

Christ the King International School is a vibrant learning community. It strives to provide exposure to its students to high quality education to shape them up to achieve progress and shape up their individual persona and career. In the past year, the staff community has worked on their pedagogy to respond to the evolving demands of school excellence. Achieving professional expertise is the guiding force behind their continued work in that direction. The staff delivered the teaching and learning programs in tune with the learning skills and subject knowledge as mandated in the school curriculum. Christ the King International School values informed learning, promotes mind creativity, impart leadership skills, develop oration and build team spirits. The wide range of extra-curricular activities, initiatives and partnerships with external agencies and institutions signify the added tools of non-curricular learning of our students. Students are encouraged to embrace the challenges of learning as sustenance for their minds, bodies and spirits. The necessary focus on work ethic, free thoughts, leadership skills and good conduct is carefully and adequately emphasized. The student lead initiatives in school ceremonies continued to grow from strength to strength in the year. We have enriched ourselves from the experiences of the past to look forward to the coming years with hope and enthusiasm.

Message from the school community

Christ the King International School believes in an inclusive school community that provide huge space for feedback and interactions with its parent community. The school continues to sustain this liaison with the parents to facilitate the partnership between home and school. The Parent Teacher meeting is periodically held to communicate to the Parents the individual assessment of students, the scope for improvement and seeking opinion and advice in order to make informed decisions for the betterment of the students at large. We continue to encourage and respond to parent enquiries for the sustained communication between home and school and promote participative learning and progress. Parents are encouraged to be present at all opportunities and given awareness of student learning, activities and emerging issues and trends in teaching and learning.

Message from the students

Students at Christ the King International School recognise that the school provides the niche of a warm and nurturing community that supports individuals to pursue their aims and provide the environment for their all-round development to succeed in life. Reflective of the diversity of our school community, we are also encouraged to be ethical and socially conscious. Consequently, in addition to the opportunities to achieve academic and extra-curricular success, we have regular learning activities with a flair for community living scheduled across the calendar year. The students worked as a cohesive group and in smaller focus groups to target specific areas and promoted physical activity and school unity. The students feel the benefits and advantages in the year round extra-curricular activities conducted and organised by the school by way of exposure and participation with outside institutions and agencies. As part of the annual report, we take immense pleasure and pride in re-living the memorabilia of the school celebrations in the past year.

1. World Ocean Day

On the 8th of January, International Ocean day was commemorated with a Seaside field trip to Dhanushkodi Beach of Rameswaram Island. With a view of sensitizing the students on the environment and awareness, a song was sung to protect sea life and minimize the water pollution with the theme "Ocean" our home, Save the Ocean." In order to encourage the students to protect sea life, they were divided into groups and in keeping the beach debris free.
